Session II: 1:00-3:00pm

NIDDK Conference Room #701 (7<sup>th</sup> Floor)

2 Democracy Plaza

6707 Democracy Boulevard

Bethesda, MD 20892-5458

## AGENDA

(Identical for both Sessions)

### I. Introductory Remarks/Purpose of the Meeting

Chris Mullins, PhD

Director of Basic Urology Cell Biology Programs

Division of Kidney, Urologic, and Hematologic Diseases (DKUH), NIDDK

Leroy M. Nyberg, PhD, MD

Director of Urology Programs

DKUH, NIDDK

Frank Calvo, PhD

Director, Review Branch

NIDDK

### II. Presentation - *A Multidisciplinary Approach to the Study of Chronic Pelvic Pain Syndromes: The MAPP Research Network*

Chris Mullins, PhD

Director of Basic Urology Cell Biology Programs

DKUH, NIDDK

### III. Question and Answer Period

Question from interested investigators will be discussed with NIH Staff. Topics of interest for preparation of applications and for better understanding the program will include (but not limited to):

- Overall research themes and novel aspects of the MAPP RFA and eventual MAPP Network
- MAPP research group leadership and participation of investigators in multiple applications
- MAPP Discovery/Core Site and overall MAPP Network structure and organization
- Three major scientific priorities for site-specific and trans-MAPP Network projects
- Investigator and institutional eligibility
- MAPP Site application format and application submission and funding timelines
- Application review criteria

### IV. Final Comments and Adjourn
